Present MARIA MUNN

"Underwater Photography"

Maria is a pioneer, dreamer, passionate shark stalker, lover of all things ocean and an SSI Snorkel Instructor, falling in love with the ocean after being run over twice and was told she was not going to live or walk again. She is now a Multi-Award Winning Photographer and Best-Selling Author. With a DSLR, Mirrorless, Compact Camera, Go Pro or Smartphone,

She has explored the breathtaking underwater world both as a snorkeller and diver, capturing the beauty of wildlife, marine mammals and their habitats, from shrimps to 30 tonne humpback whales, creating a bond which reflects in her images.
